Introducing Springside Reserve, our newest Farmhouse Collection Series community featuring homes with farmhouse design features in west Cobb County, Georgia. These homes offer a rustic appeal with classic farmhouse-style exteriors, including board and batten siding, and charming front porches with columns and wooden railings. The interiors of the homes are just as impressive, with open floor plans, high ceilings, and lots of windows to let the light in. Interiors feature designer finishes, such as custom cabinets, granite countertops, stainless steel appliances, and fireplaces with marble surround.

The community is in Powder Springs in Cobb County, a desirable area known for its excellent schools, suburban lifestyle, and natural beauty.

Powder Springs offers a diverse lifestyle and amenities available in the area. This region is surrounded by cities such as Hiram, Lithia Springs, Austell, Acworth, Mableton, Douglasville, Dallas, Smyrna, Kennesaw, Marietta, and many more, each contributing unique flavor to the local culture.

The city is home to Powder Springs Park, the Powder Springs Trail System, and the popular Silver Comet Trail, offering ample outdoor activities, including hiking, biking, and leisurely walks. There's something for everyone near Springside Reserve, from local farmers' markets and cultural festivals in nearby Marietta to outdoor concerts at Powder Spring's own Thurman Springs Park.
